

TEMPLE UNIVERSITY

POLICIES AND PROCEDURES

Title:	Academic and Administrative Organization
Policy Number:	01.20.03
Issuing Authority:	Board of Trustees
Responsible Officer:	President
Date Created:	December 10, 2002
Date Last Amended/Reviewed:	January 2026
Date Scheduled for Review:	April 2026
Reviewing Office:	Office of the President

Scope of Policy & Rationale:

This policy identifies all the academic organizational units of the university. It defines the authority reserved by the Board of Trustees over such units and confirms the president's full executive authority to make operational decisions not specifically reserved to the board. It also confirms the president's authority with respect to the non-academic administrative units of the university.

Policy

I. Schools, Colleges and Departments

A. Reservation of Authority

The Board of Trustees reserves to itself the authority to authorize the establishment, reorganization or elimination of schools, colleges, departments and any other academic units that confer degrees.

B. Existing Academic Structure

The academic structure of the university as set forth in Attachment A, listing the schools and colleges and their departments, is hereby ratified, and authorized by the Board of Trustees.

The president, or their designee, is authorized to amend Attachment A as necessary to conform to board actions relating to the academic structure of the university.

II. Centers and Institutes

The president is authorized to establish, reorganize, or eliminate centers and institutes within the university. The president shall report all such actions to the

Board of Trustees, through the Academic Affairs, Student Success, and Diversity Committee.

The president also is authorized to issue policies and procedures governing centers and institutes.

III. Administrative Organization

In accordance with the authority vested in the president under the bylaws of the university, the president is authorized to establish, reorganize or eliminate administrative units of the university.
