Section 6.1 Representative Defined

For purposes of this Article VIII, “representative” means any Trustee or officer of the University or an individual serving at the request of the University as a director, officer, partner, fiduciary, or trustee of another domestic or foreign corporation for profit or not-for-profit, partnership, joint venture, trust, or other enterprise.

Section 6.2 Third Party and Derivative Actions

The University shall indemnify any Trustee, officer, employee or agent of the University who was or is a representative of the University and who was or is a party (which includes giving testimony or similar involvement) or is threatened to be made a party to any threatened, pending or completed action or proceeding, whether civil, criminal, administrative or investigative, formal or informal (including an action or proceeding by or in the right of the University), by reason of the fact that he or she was or is a representative of the University, against expenses (including reasonable attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with the action or proceeding. If a representative is not entitled to indemnification for a portion of any liabilities to which he or she may be subject, the University nonetheless shall indemnify him or her to the maximum extent permitted by law and this Article for the remaining portion of the liabilities.

Section 6.3 Employee Benefit Plans

For purposes of this Article VI, “other enterprises” shall include employee benefit plans; “serving at the request of the University” shall include any service as a representative of the University that imposes duties on, or involves services by, the representative with respect to an employee benefit plan, its participants or beneficiaries; excise taxes assessed on an individual with respect to any employee benefit plan shall be deemed “fines”; and action with respect to an employee benefit plan taken or omitted in good faith by a representative of the University in a manner he or she reasonably believed to be in the interest of the participants and beneficiaries of the plan shall be deemed to be action in a manner that is not opposed to the best interests of the University.

Section 6.4 Advancing Expenses

The University shall pay expenses (including reasonable attorneys’ fees) actually and reasonably incurred in defending any action or proceeding referred to in Section 6.2 in advance of the final disposition of the action or proceeding upon receipt of any undertaking by or on behalf of the representative to repay the amount if it is ultimately determined that he or she is not entitled to be indemnified by the University as authorized in this Article VI or otherwise.

Section 6.5 Supplementary Coverage
The indemnification and advancement of expenses provided by or granted pursuant to this Article VI shall not be deemed exclusive of any other rights to which an individual seeking indemnification or advancement of expenses may be entitled under the Act or any bylaw, vote of the disinterested Trustees, agreement or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding that office. Section 7.1 (relating to interested Trustees or officers) shall be applicable to any bylaw, agreement or transaction authorized by the Trustees under this Section 8.5. Notwithstanding anything else to the contrary, however, no indemnification may be made by the University under this Article VI or otherwise to or on behalf of any individual to the extent that:

A. the act or failure to act giving rise to the claim for indemnification is determined by a court to have constituted self-dealing, willful misconduct, or recklessness; or

B. the Board determines that under the circumstances, indemnification would constitute an excess benefit transaction under section 4958 of the Internal Revenue Code of 1986, as amended.

Section 6.6 Security for Indemnification Obligations

To further effect, satisfy or secure the indemnification obligations provided in this Article VI, the University may purchase and maintain insurance, obtain a letter of credit, act as self-insurer, create a reserve, trust, escrow, cash collateral or other fund or account, enter into indemnification agreements, pledge or grant a security interest in any assets or properties of the University, or use any other mechanism or arrangement whatsoever in such amounts, at such costs, and upon such other terms and conditions as the Board shall deem appropriate.

Section 6.7 Duration and Extent of Coverage

The indemnification and advancement of expenses provided by or granted pursuant to this Article VI shall, unless otherwise provided when authorized or ratified, continue as to an individual who has ceased to be a representative of the University and shall inure to the benefit of the heirs and personal representatives of that individual.

Section 6.8 Reliance and Modification

Each individual who shall act as a representative of the University shall be deemed to be doing so in reliance upon the rights provided by this Article VI. The duties of the University to indemnify and to advance expenses to a representative provided in this Article VI shall be in the nature of a contract between the University and the representative. No amendment or repeal of any provision of this Article VI shall alter, to the detriment of the representative, his or her right to the advancement of expenses or indemnification related to a claim based on an act or failure to act which took place prior to such amendment or repeal.
ARTICLE VII

CONFLICTS OF INTEREST

Section 7.1 Interested Trustees and Officers

No contract or transaction between the University and one or more of its Trustees or officers, or between the University and any other corporation, partnership, association, venture or other organization in which one or more of the University’s Trustees or officers are directors or officers, or have a financial interest as defined from time to time in a conflict of interest policy approved by the Board, shall be void or voidable solely for such reason, or solely because the Trustee or officer is present at or participates in the meeting of the Board which authorizes the contract or transaction, if:

a. the material facts as to the relationship or interest and as to the contract or transaction are disclosed or are known to the Board and the Board in good faith authorizes the contract or transaction by the affirmative vote of a majority of the disinterested Trustees at the meeting even though the disinterested Trustees are less than a quorum; or

b. the contract or transaction is fair to the University as of the time it is authorized, approved, or ratified by the Board.

Common or interested Trustees may be counted in determining the presence of a quorum at a meeting of the Board that authorizes the contract or transaction.

Section 8.2 Insurance

The University may purchase and maintain insurance on behalf of any individual who is or was a Trustee or officer of the University, or is serving at the request of the University as a director or officer of another domestic or foreign corporation for profit or not-for-profit, partnership, joint venture, trust, or other enterprise, against any
liability asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the University would have the power to indemnify him or her against that liability under the Act. The University’s payment of premiums with respect to such insurance coverage shall be provided primarily for the benefit of the University. To the extent that such insurance coverage provides a benefit to the insured individual, the University’s payment of premiums with respect to such insurance shall be provided in exchange for the services rendered by the insured person in good faith and in a manner so as not to constitute an excess benefit transaction under section 4858 of the Internal Revenue Code of 1986, as amended.
ARTICLE IX
