TEMPLE UNIVERSITY
BOARD OF TRUSTEES
POLICIES AND PROCEDURES MANUAL

Title: Establishing, Restructuring and Terminating Academic Programs
Policy Number: 02.60.01
Issuing Authority: Board of Trustees
Responsible Officer: Provost

Date Created: October 8, 2002
Date Last Amended/Reviewed: October 2026
Date Scheduled for Review: January 2027
Reviewing Office: Office of the Provost

Scope of Policy:

This policy applies to all academic programs within the university.

Definitions

"Academic program" means any combination of courses and/or requirements leading to a degree or certificate, or to a major, co-major, minor or academic track and/or concentration.

A "certificate" is earned through a prescribed course of credit study that is pursued independently of and without enrollment in any degree program.

Policy Statement

I. Board of Trustees Authority

Pursuant to its authority to define the general educational policy of the university, the Board of Trustees reserves to itself the authority to approve all actions relating to all academic programs recognized by notation on transcripts and/or diplomas (with the exception of certificate programs), specifically the authority to: 1) establish, structure, restructure and eliminate degrees that are noted on transcripts and/or diplomas; 2) establish, structure, restructure and eliminate majors, co-majors, minors and academic tracks and/or concentrations within all degree programs of the university that are noted on transcripts and/or diplomas; and 3) establish the requirements for all academic honors that are noted on diplomas or transcripts.

II. Presidential Authority

The Board of Trustees delegates to the president or his/her designee the authority to approve the establishment, revision, and elimination of specific courses and the authority to approve changes in the array of courses that are required for majors, co-majors, minors and academic tracks and/or concentrations that have been approved by the Board of Trustees.

The Board of Trustees further delegates to the president or his/her designee the authority to make and approve all other academic program actions, including the establishment, revision and elimination of certificate programs.

The president is further authorized to develop a set of administrative procedures for use in preparing all materials necessary for establishing, structuring, reviewing, restructuring or eliminating degrees, certificates, majors, co-majors, minors and academic tracks and/or concentrations and academic honors.

III. Policy Amendment

In every instance in which the Board of Trustees establishes, restructures or terminates a degree, major, co-major, minor or academic track and/or concentration, the Secretary of the university is authorized to amend this policy to reflect such change.

IV. Authorized Academic Programs

The following academic programs are hereby authorized by the Board of Trustees:

Notes

1. Dates of official enactment and amendments:

1. **Footnotes on attached pages provide details on program status.**

2. **Dates of official enactment and amendments:**

Adopted by the Board of Trustees on October 8, 2002.

Secretary's Note: In the approved list of degrees for the College of Allied Health Professions, a typographical error listing the Master of Education degrees as Master of Science in Education degrees in the fields of School Health Education and Therapeutic Recreation has been corrected. November 5, 2002

Secretary's Note: In the approved list of degrees for the College of Science and Technology, a typographical error listing the Bachelor of Arts degree in Computer and Information Science as Computer and Information Technology has been corrected. December 12, 2006

Secretary's Note: In the approved list of degrees for the Fox School of Business and Management, a typographical error regarding the last enroll and last graduate dates for concentrations in the Bachelor of Business Administration in Business Management and the Bachelor of Business Administration in International Business has been corrected. October 4, 2008

Secretary's Note: In the approved list of degrees for the College of Health Professions, the degree for Speech, Language and Hearing Science was inadvertently listed as a Bachelor of Science. The correct degree is Bachelor of Arts. December 11, 2008

Secretary's Note: In the approved list of degrees for the College of Engineering, the degree for Bioengineering was inadvertently listed as a Master of Science. The correct degree is a Master of Science in Bioengineering. March 2, 2010

Secretary's Note: In the approved list of degrees for the College of Education, the program name for the Master of Education was inadvertently listed as Graduate Certificate Program. The correct program name is Graduate Certification Program. June 23, 2011

Secretary's Note: In the approved list of degrees for the College of Education, the policy format has been amended to include the approval of minors. December 13, 2016

Secretary's Note: In the approved list of degrees for the College of Engineering, the effective date for the renamed program in Construction Engineering Technology is Spring 2018, not Fall 2018 as originally noted. March 13, 2018

Secretary's Note: In the approved list of degrees for the Fox School of Business and Management, the program name for the Concentration in Innovation Strategy in the Master of Science in Innovation Management and Entrepreneurship was inadvertently listed as Innovative Strategy. The correct name for the concentration is Innovation Strategy. March 13, 2018

Secretary's Note: In the approved list of degrees for the College of Public Health, the last graduate date for the Doctor of Philosophy in Health Ecology should be Spring 2020, not Spring 2017 as originally noted. March 13, 2018

Secretary's Note: In the approved list of degrees for the School of Pharmacy, the Certificate in Advanced Quality Assurance and Regulatory affairs is a post-masters level certificate, not graduate-level as originally noted. October 9, 2018

Secretary's Note: In the approved list of degrees for the School of Pharmacy, the following programs should be designated as graduate as well as post-master's level certificates: Biopharmaceutical Manufacturing and Regulatory Affairs; Biosimilars and Generic Drugs; Clinical Trial Management; Food Regulatory Affairs and Quality Assurance; Global

Pharmacovigilance / Benefit-Risk Management; Good Manufacturing Practices in the 21st Century; Medical Device; and Sterile Process Manufacturing. October 9, 2018

Secretary's Note: In the approved list of degrees for the Tyler School of Art, the Optional Concentration in Art Education was inadvertently omitted from the Bachelor of Fine Art in Glass and the Bachelor of Art in Ceramics. The concentration has been added to both programs effective the program creation date. October 9, 2018

Secretary's Note: In the list of approved instrumental concentrations for programs in the Boyer College of Music and Dance the category headers for Brass, Historical Keyboard Instruments, String, and Woodwinds were inadvertently included as options in a previous revision of the document. They have been removed to correct the list. December 11, 2018

Secretary's Note: In the approved list of degrees for the College of Education, the program name for the Concentration in Non-profit Management and Social Entrepreneurship for the Bachelor of Science in Human Development and Community Engagement was inadvertently listed as the Concentration in Non-profit and Social Entrepreneurship. The correct name for the concentration is Non-profit Management and Social Entrepreneurship. January 2, 2019

Secretary's Note: In the approved list of degrees for the College of Liberal Arts, the following Certificate Programs were inadvertently omitted from the list of programs when certificates were added to this document in 2012. The undergraduate certificates not previously noted are as follows: Management Career; Political Economy; Japanese; Health Research; Spanish; Spanish and Latin American Studies for Business; Spanish and Latin Studies for the Health and Human Services; Chinese; French; German; and Latin American Studies. The certificates have now been added with appropriate footnote notations. May 14, 2019

Secretary's Note: In the approved list of degrees for the Beasley School of Law, the Master of Laws degrees in Trial Advocacy and Taxation were listed with incorrect degree designations of "Master of Laws in Trial Advocacy" and "Master of Laws (Taxation)". The correct degree designation for both is "Master of Laws" and both have been corrected. March 10, 2020

Secretary's Note: For a program in the College of Public Health, the Concentration in Health System Leadership in the Doctor of Nursing Practice was inadvertently noted on the agenda of the May 16, 2022, Board meeting as "optional." In the list of degrees, the concentration is correctly noted as "Concentration in Health Systems Leadership." October 11, 2022

Secretary's Note: For a program in the College of Public Health, the degree for the Bachelor of Science in Health Information Management was inadvertently noted as a Bachelor of Science and not as a Bachelor of Science in Health Information Management. The degree has been corrected and is now reflected correctly in the list of programs. May 9, 2023

Secretary's Note: A general review of this document was conducted in academic year 2024-2025 and the following adjustments were made: 1) alphabetization of offerings by program title (by school/college); 2) clarification, placement, and format changes to various footnotes to make the

document clearer; 3) addition of a table of contents and embedded navigation; 4) modifying some program types to be consistent with student information system fields (e.g. tracks became concentrations; post-baccalaureate became postbaccalaureate); 5) any symbols (e.g. ampersands) converted to words; and 6) consolidation of duplicative entries. January 2025

Secretary's Note: In the approved list of degrees for the College of Science and Technology, the effective date for the renamed Bachelor of Science in Cellular and Molecular Neurobiology is Fall 2027, not Fall 2026 as originally noted. June 24, 2026.

Secretary's Note: In the approved list of degrees for the Fox School of Business and Management, the effective date for the rename of the Concentration in Financial Management to Finance for the Master of Business Administration is Fall 2023, not Fall 2024 as originally noted. June 24, 2026
